

CSCB Learning and Development - Child Sexual Exploitation

Who is this course for?

Practitioners working with children and young people to ensure there is sufficient awareness and understanding of child sexual exploitation and young people at risk.

Learning Objectives

- Identify risks and indicators for young people experiencing or at risk of CSE
- Analyse roles of young women linked to gangs and relate to experiences of CSE
- Recognise opportunities for early intervention
- Investigate safety planning tools
- Demonstrate an effective response to disclosure of CSE
- Contextualise responses to CSE within your local referral process
