## Child Neglect Training

If you work with children and families, being alert to how well the child is cared for is essential. This course will help you understand and recognise neglect, and it will challenge your thinking as to what neglect is. The course will cover some serious case review findings and why practitioners find it difficult to identify neglect.

If you are planning to complete GCP2 Training, complete this training before attending GCP2. To know more about child neglect in Croydon, visit the following [CSCP Child Neglect information page](#)

Trainer – Hayley Tuffin  
Venue – MS Teams

## Dates

Friday 01/07/2022 09:30 – 16:30

Thursday 06/10/2022 09:30 – 16:30

Thursday 23/02/2023 09:30 – 16:30

## Domestic Abuse Awareness Training

The impact of domestic abuse for children is recognised as a significant safeguarding risk, especially when other factors such as parental mental health and parental substance misuse are also issues. This multi-agency training will help practitioners understand and identify domestic abuse, and explain the processes to assess and manage risk.

This Domestic Abuse awareness training must be completed before completing [Risk Identification in Domestic Abuse and MARAC training](#)

Trainer – Croydon FJC  
Venue - FJC

## Introduction to drug and alcohol awareness

## Dates

Substance misuse can affect children, young people and adults. Drug and alcohol use can range from the occasional to problematic and can sometimes result in an individual choosing to seek support to change their use.

This training will give you an introduction to the effects drugs and alcohol can have and how to refer to local services. The training will cover

Commonly used substances  
Why people use substances  
Harm Reduction advice  
Overdose advice  
Safeguarding thresholds (Substance Misuse)  
Safeguarding Practice Reviews and Substance Misuse

Trainer – Change Grow Live (CGL)  
Venue – MS Teams

Wednesday 28/09/2022 09:30 – 11:00

Friday 09/12/2022 09:30 – 11:00

Wednesday 15/03/2023 – 09:30 – 11:00

[Click here to book](#)

## Risk Identification in Domestic Abuse and MARAC

This training will advance your understanding of domestic abuse risk identification, high risk and processes, and how to manage risk. You will gain an understanding of the evidence base that informs the CAADA DASH, identification of risk, high risks factors for serious harm and homicide. You also gain an understanding of the local MARAC arrangements. **\*\* The [Domestic Abuse Awareness Training](#) should be completed first \*\***

# Safeguarding Children E-Learning

Croydon safeguarding e-learning is free to any community member, volunteer or professional working with children and families in Croydon.

**Simply 'self-register' now at the site below - use your work email address when registering**

[www.croydon.melearning.university/course\\_centre](http://www.croydon.melearning.university/course_centre)

E-Learning Course Name	Description
<b>Safeguarding Awareness: Adults and Children (1.5 hour)</b>	This safeguarding awareness course is for people who might come into contact with or have occasional contact with children or vulnerable adults. The course explains what is meant by the terms used, how to recognise abuse, how to reduce risk and what to do if you suspect abuse or if abuse is disclosed to you.
<b>Safeguarding Children Level 1 (2 hours)</b>	This course will help to ensure that all people working with or who have contact with children and young people are equipped to carry out their safeguarding responsibilities effectively. It should be completed for those who will also need to complete Safeguarding Level 2. It is suitable for those who have infrequent contact with children but may become aware of concerns.
<b>Safeguarding Children Level 2 (2 Hours)</b>	This course is intended for everyone who makes or who could potentially make onward safeguarding referrals to the Police and Children's Social Care. It covers a range of learning relating to making an appropriate referral, roles and responsibilities.
<b>Safeguarding Children with Disabilities (30 mins)</b>	This course is suitable for all staff who work with children, young people and their families. Although this course forms part of an induction programme for new starters, it is also intended for all practitioners who want to improve their knowledge and continue their professional development.

<b>Child Sexual Exploitation Level 1 (3 Hours)</b>	The course has been designed to help anyone who works with children and young people safeguard them from Child Sexual Exploitation (CSE). In this course you will learn what CSE is and learn about CSE from the perspective of the offenders and the victims. You will also learn about key role mobile and internet technology plays in CSE and about the differences between gang and group CSE.
<b>Child Sexual Exploitation Level 2 (1.5 hours)</b>	The course has been designed to help people who have a statutory duty to safeguard children to know the law in relation to Child Sexual Exploitation (CSE) and to know how to record a CSE risk assessment. You will also learn some essential CSE practice principles and intervention strategies. The course aimed at all safeguarding professionals who have a duty to safeguard and promote the welfare of children and young people (this includes, social workers, police officers, teachers, family support workers, foster carers and health professionals to name a few).
<b>Autism Awareness (1 hour)</b>	This course will give learners an introduction and awareness of autism. It is aimed at people who want to understand and make a difference in the lives of individuals with the autism spectrum condition, including parents, carers, professionals and individuals with a diagnosis of autism and who have little or no knowledge of the condition.
<b>Online Safety - Risks to Children (30 mins)</b>	Most children use the Internet positively but they can sometimes behave in ways that may place themselves at risk. Knowing the potential risks and being able to encourage responsible and safe use of the internet is vital to help safeguard children online.
<b>Bullying and Cyberbullying (30 mins)</b>	This course describes the negative impact of bullying and cyberbullying and teaches positive strategies and solutions for people who experience bullying. This course is intended for all children's workforce practitioners, i.e. all staff who work with children, young people and their families.
<b>Effective Communication with Children and Families (1.5 hours)</b>	This 'Effective Communication - Communicating with Children and Families' course will help enable you to communicate effectively with children, young people and their parents or carers. Includes focus on – barriers to effective communication, professional boundaries, listening first and carefully, being prepared... etc.

<b>Domestic Abuse (1 .5 hour)</b>	Domestic abuse is a serious and widespread problem which affects nearly 10% of women and 5% of men every year. In this course you will learn who is at risk and how the law can help. You will also learn about domestic abuse from the perspective of both the victim and the perpetrator.
<b>Substance Misuse (1 hour)</b>	This Substance Misuse course will enable you to understand how drugs work, how their use affects people and their families and how addicts can be helped to recover.
<b>Online Safety for Parents and Carers (30 mins)</b>	Online safety is all about protecting people (especially children and young people) in the digital world – learning to understand and use new technologies in a safe and positive way, and knowing the risks as well as the benefits.

### The following e-learning is provided by the Home Office

<b>PREVENT</b>	Provided by the Home Office, this free online training provides learners with an understanding of the needs and strategies to PREVENT radicalisation and associated duties to report. It can be accessed here: <a href="https://www.elearning.prevent.homeoffice.gov.uk/edu/screen1.html">https://www.elearning.prevent.homeoffice.gov.uk/edu/screen1.html</a>
<b>Female Genital Mutilation (FGM)</b>	This Home Office designed course will support learns to identify and prevent female genital mutilation (FGM). The training will help a wide range of professionals to identify and assist girls who are at risk of FGM. It can be accessed here: <a href="https://fgmelearning.vc-enable.co.uk/Register">https://fgmelearning.vc-enable.co.uk/Register</a>
<b>NEW Trauma Awareness Training</b>	Trauma can affect anyone at any point in their life. It can affect people differently depending on a number of factors, and because of this, it's important that we are able to recognise trauma in all forms and are able to apply a trauma-informed approach across the entire organisation. This course has been designed to help us become more aware of trauma, how to recognise it, and how to make a change for the people we support.

<b>Online Safety for Parents and Carers (30 mins)</b>	<b>Online safety is all about protecting people (especially children and young people) in the digital world – learning to understand and use new technologies in a safe and positive way, and knowing the risks as well as the benefits.</b>
