Anyone living or working in Croydon can access a range of useful courses – including children, young people and their parent/carers as well as practitioners and managers. Topics include:

- Safeguarding levels 1 & 2
- CAF
- CAF for Managers
- Holistic early help assessment
- Integrated Working
- Assessment and Planning
- Lead Professional
- Lead Professional for Managers
- Human Need, Learning and Development
- Information Sharing
- Data Protection & Human Rights
- Understanding behaviour
- Domestic Abuse
- Emotional Abuse
- Physical Abuse
- Sexual Abuse
- Neglect
- Substance Misuse

Everyone involved with families should have a basic understanding of these topics.

Most courses take approximately 20 minutes to complete, are easy to access, available 24/7, informative – and fun! They enhance and reinforce existing learning, complements and support training and evidences that your workforce has this essential knowledge. Each course includes: a topic overview, case studies, learning games and a quiz, as well as links to current related guidance and information and a personalised certificate is emailed to you on successful completion.

To request access to the courses, please confirm your name, job title and email address by email to: integrated.working@croydon.gov.uk and you will be registered.

The Children's Children and Families Partnership is made up of representatives at the highest level of agencies and organisations working with children and families in the borough. It sets the strategic direction for the services for children in Croydon, monitors performance and promotes partnership working at all levels, which includes joint commissioning of services where a partnership response is beneficial.
