What does Croydon have to offer young people aged 11-19?

- **Journeys** – try something new today! Try your hand at everything from archery to street art and filmmaking
- **Youth Council** – make sure young people have a voice and influence decision makers
- **Area youth forums** – have your say on local issues including how funding is spent in the borough
- **Youth hubs** – access exciting activities and a range of support services from a safe environment
- **Activity projects** – get active and have fun by taking part in a range of activities including outdoor activities with the Croydon Adventure project, Croydon Forest Project, street based youth activities, Duke of Edinburgh’s Award, creative and performing arts
- **Information, Advice and Guidance** – access online support services to help with your personal development, careers, options and life challenges
- **Drop-in Zone** – located in the Croydon Turnaround Centre provides a single place where you and your family can access advice and a range of support services
- **Specialist support projects** – work and provide support to diverse groups of young people
- **Holiday activities and short-term projects**
- **Online services directory** – find out about the services on offer to support young people in Croydon
